

Apartment 5A

was the Apartment of the McCann's in the [Ocean Club](#) at Praia da Luz.

Coordinates → [on Google Maps](#)

In this Apartment the still unclear disappearance happened, may it be by abducting, or by killing or by an accidental death.

The Apartment 5A was under → [intense investigations](#) done by the PJ

More Photos see → [5A-Photo-Report](#) and at → [gerrymccannsblogs](#).

The window was unclosed with roller shutters nearly closed. Not any signs of force against shutters, window or the door near by, which could only be opened from inside, could be found. Nor any sign of force against any interior objects. PJ Reenactment later showed, that it seemed practically impossible to get in and out through this window, carrying a child outwards, without damaging anything. The red circle shows the bed of [Maddie](#).

Traces of body fluids on the walls. For Details on DNA findings and problems on interpretations see [DNA-Traces](#).

Also Cadaver Odour could be found here. For details see [Cadaver Dogs](#).
