

Alan Pike

See his statement here:

- 7th May 2008: ->[PJ Files](#)

Alan Pike who works for the [Centre for Crisis Psychology](#), was hired by Mark Warner and **flew out on the 4th May 2007 to assist the McCann couple.**

See: -> [Telegraph & Argus](#)

According to his →[Linkedin profile](#) Alan Pike gained a BA (Hons) Social Science, Psychology from Manchester Metropolitan University (which at the time was a Polytechnic) - 1986-1989. From 1999 to 2004 he worked as a Child Protection Social Worker in South Manchester local authority. In 2004 he joined the [Centre for Crisis Psychology](#) as a trauma Consultant. Alan Pike states having worked as a Clinical Consultant for the [Centre for Crisis Psychology](#) from 2004 - 2005. However, it is not known, whether he has any clinical qualifications.

Alan Pike is often referred to as a psychologist but he does not have qualifications as a Psychologist. Curiously, there is no record of Alan Pike being registered as a Social Worker on →[Health & Care Professionals Council](#) or on →[British Association for Counselling and Psychotherapy](#)

On 19th September 2013 Alan Pike acted as a witness for the McCanns in the [Libel Trial 'McCanns vs. Amaral'](#).

Remark: The *Centre for Crisis Psychology* is linked to the →[Missingpeople.org](#) with [Kate McCann](#) as an *ambassador*. There is seemingly also some linkage of CCP/A.Pike to [Richard Branson](#). The CCP usually helps in large scale desasters, like e.g. the Lockerbie Crash of a Boeing 747 with hundreds of victims. The McCann's got to be a client but only hours after the alleged abduction. CCP was already involved on 4th May 2007 and Alan Pike met [Gerald Patrick McCann](#) first on 5th May in [Praia da Luz, Portugal, Algarve](#). The question arises who did inform CCP and pay for this unusual commitment of CCP. It lies on hand that it may have been Richard Branson, who was a donator from the very

beginning to the McCanns. See also Branson's linkage to [Prince Andrew and Jeffrey Epstein](#).

see his →[Twitter account](#)
